

ROZANA

Fragrance-Free Urea Body Lotion – 375 mL

Body Lotion for Dry, Sensitive, and Eczema-Prone Skin
Available in 5% and 10% Urea Concentrations
Fragrance-Free and Alcohol-Free

Description

An advanced moisturizing body lotion formulated for dry, sensitive, and eczema-prone skin. It helps deeply hydrate the skin and reduce dryness, roughness, and flaking while supporting the skin's natural protective barrier and maintaining softness and comfort.

Its formula combines Urea, Ceramide NP, Sodium Hyaluronate, Niacinamide (Vitamin B3), Panthenol (Vitamin B5), Alpha-Bisabolol, and Allantoin, together with Shea Butter and Vitamin E, to provide long-lasting hydration and care for skin experiencing dryness, tightness, and discomfort.

Ceramide NP helps strengthen and restore the skin's natural protective barrier, while Sodium Hyaluronate helps maintain skin hydration. Panthenol, Alpha-Bisabolol, and Allantoin help soothe sensitive skin and relieve dryness-related discomfort and redness. Shea Butter and Vitamin E help nourish and soften the skin while protecting it from moisture loss and environmental stressors.

Available in two Urea concentrations: 5% for daily care of dry and sensitive skin, and 10% for intensive care of very dry and rough skin.

Its fast-absorbing, non-greasy texture leaves the skin soft, supple, and hydrated, making it suitable for daily use.

Benefits

Provides deep, long-lasting hydration.
Helps reduce dryness, roughness, and flaking caused by dry skin.
Helps strengthen the skin's natural protective barrier and reduce moisture loss.
Helps soothe sensitive skin and relieve dryness-related tightness and discomfort.
Improves skin softness and elasticity and promotes a healthy-looking appearance.
Absorbs quickly without leaving a greasy feeling.
Suitable for daily care of dry, sensitive, and eczema-prone skin.

Ingredients

Deionized Water, Urea, Ceramide NP, Sodium Hyaluronate, Niacinamide (Vitamin B3), Panthenol (Vitamin B5), Alpha-Bisabolol, Allantoin, Tocopherol (Vitamin E), Shea Butter, Lanolin, Liquid Paraffin, Stearic Acid, Carbomer, EDTA (Ethylenediaminetetraacetic Acid), Dimethicone, Propylene Glycol, Cetyl Alcohol, Lactic Acid, Cetearyl Ethylhexanoate, Isopropyl Myristate, Glyceryl Stearate, PEG-100 Stearate, Potassium Sorbate, Phenoxyethanol, Triethanolamine.

Directions for Use

Apply an adequate amount to clean, dry skin and massage gently until fully absorbed.
Use once or twice daily, or as needed, especially after bathing or whenever the skin feels dry.
For best results, use regularly.

Warnings and Precautions

For external use only.
Avoid contact with the eyes and mucous membranes.
Do not apply to open wounds or severely damaged or irritated skin.
Mild tingling may occur when the 10% formula is applied to cracked skin due to its Urea content.
Discontinue use if irritation or sensitivity occurs.
Keep out of reach of children.
Do not ingest.

Storage Conditions

Store in a cool, dry place below 25°C, away from direct sunlight and sources of heat.
Keep the bottle tightly closed.
