

ROZANA

ROCYTEAL ANTISEPTIC SOLUTION – 175 mL

Antiseptic Foaming Solution for Skin and Intimate Hygiene With Hexamidine and Chlorhexidine Digluconate

Product Description

ROZANA Rocyteal Antiseptic Solution is a foaming antiseptic preparation containing Hexamidine Diisethionate and Chlorhexidine Digluconate. It helps cleanse the skin and mucous membranes while reducing microorganisms associated with bacterial and fungal infections.

Suitable for antiseptic cleansing in dermatological, gynecological and surgical care, including infected skin conditions, superficial fungal infections and certain intimate infections.

Benefits and Uses

- Provides antiseptic cleansing of the skin and mucous membranes.
- Helps reduce bacteria and other susceptible microorganisms.
- Supports skin hygiene in cases of acne, folliculitis, eczema, impetigo and superficial fungal infections.
- Supports intimate hygiene in cases of vaginitis and vulvitis under medical supervision.
- Suitable for antiseptic cleansing in certain surgical procedures.
- Can be used undiluted or diluted as directed.

Composition: For every 100 mL of solution:

Hexamidine Diisethionate: 0.100 g. Chlorhexidine Digluconate (20% w/v Solution): 0.5 mL.

Directions for Use

Dermatological Use: Apply undiluted or diluted 1:10 with water to cleanse the affected area, then rinse thoroughly.

Gynecological Use: For external intimate cleansing, use undiluted or diluted 1:10 with water, followed by rinsing. Vaginal irrigation requires medical supervision.

Surgical Use: Dilute 1:1 with water and use as directed by a healthcare professional.

Warnings and Precautions

For external use only. Do not swallow.

Do not use if allergic to Hexamidine, Chlorhexidine or any component of the product.

Avoid contact with eyes and ears. Do not use inside the ear if the eardrum is perforated.

Do not perform internal vaginal irrigation without medical advice.

Consult a doctor before use during pregnancy or breastfeeding.

Discontinue use if irritation or allergic reactions occur. Seek immediate medical attention for severe allergic reactions.

Avoid prolonged use without medical advice. Keep out of reach of children.

Storage Conditions

Store below 25°C, away from direct sunlight and heat. Keep the container tightly closed after use.
