

ROZANA

ROZACAN GEL – 40 mL

Available Strengths: Lidocaine Hydrochloride 2% and 5%

Description

A topical gel containing Lidocaine Hydrochloride, Benzalkonium Chloride, and D-Panthenol (Vitamin B5). It provides temporary relief and helps care for areas affected by minor superficial scratches, friction, and skin irritation. It also helps moisturize and soothe the skin while supporting its healthy appearance.

Composition

Lidocaine Hydrochloride 2% or 5%, Benzalkonium Chloride, D-Panthenol (Vitamin B5).

For topical skin care in minor conditions, such as:

- Minor superficial scratches and areas affected by friction.
- Mild skin irritation.
- Temporary pain or discomfort in small areas of the skin.
- Skin prone to dryness or stress caused by minor external factors.

Directions for Use

1. Clean the affected area and gently pat dry.
2. Apply a thin layer of gel to the required area.
3. For adults and children aged 2 years and above: Use as needed, up to 3–4 times daily.
4. For children under 2 years of age: Consult a doctor before use.
5. If necessary, the area may be covered with a sterile dressing after allowing the gel to dry.

Contraindications

Do not use:

- In or near the eyes.
- On large areas of the body.
- On deep wounds or severely damaged skin.
- On areas with blisters or visible ulceration.
- For longer than one week without consulting a doctor or pharmacist.
- If you are allergic to Lidocaine or any other ingredient in the product.

Warnings and Precautions

- For external use only.
- Avoid contact with the eyes and mucous membranes.
- Discontinue use if skin irritation or an allergic reaction occurs.
- If accidentally swallowed, seek medical advice immediately or contact a poison information center.
- Keep out of the reach of children.
- Store at room temperature, away from heat and direct sunlight.
