

ROZADINE

TOOTHPASTE FOR SENSITIVE TEETH – 100 mL

Description

ROZADINE Toothpaste is specially formulated for the daily care of sensitive teeth. Its formula with Potassium Nitrate helps reduce tooth sensitivity by soothing the response of the nerves inside the tooth, providing relief from discomfort caused by hot, cold, sweet, or acidic foods and drinks. It also contains Sodium Fluoride to help strengthen tooth enamel and protect against cavities, while supporting healthy gums and long-lasting fresh breath.

Benefits

Helps reduce tooth sensitivity.
Provides long-lasting protection against tooth sensitivity.
Helps protect against cavities.
Helps strengthen tooth enamel.
Supports healthy gums.
Helps remove plaque with regular brushing.
Leaves the mouth feeling clean and fresh.
