

ROZANA

UREA %40 + SALICYLIC ACID %2 CREAM – 75 mL

Description

A concentrated cream containing 40% Urea and 2% Salicylic Acid to help soften thickened, hardened skin and gradually remove dead skin cells. Enriched with Shea Butter, Panthenol, Vitamin E, Lanolin, and natural oils to help moisturize the skin, reduce dryness and flaking, and improve its softness.

Benefits

- Helps improve the appearance of dry, rough, and cracked heels.
- Softens thickened and rough skin on the feet, elbows, and knees.
- Helps remove dead skin cells and excess keratin.
- Provides intensive exfoliation and hydration.
- Helps reduce dryness and flaking.
- Helps soften thickened nails and surrounding skin.
- Supports the care of thickened, scaly skin associated with psoriasis and keratosis pilaris, under medical supervision.

Ingredients

Urea 40%, Salicylic Acid 2%, Shea Butter, Vitamin E, Panthenol, Lanolin, Coconut Oil, Extra Virgin Olive Oil, Castor Oil, Sweet Almond Oil, Paraffin Oil, Beeswax, Monopropylene Glycol, Glycerol, Potassium Sorbate, Polysorbate 80, Polysorbate 20, Deionized Water, Citric Acid, Triethanolamine, Stearic Acid, Cetyl Stearyl Alcohol, Cetyl Alcohol, Butylated Hydroxytoluene (BHT), Ethylenediaminetetraacetic Acid (EDTA), Phenoxyethanol.

Directions for Use

For Heels and Feet:

Apply once daily to clean, dry, thickened areas and massage until absorbed. Cotton socks may be worn after application.

For Elbows and Knees:

Apply a small amount once daily and massage until fully absorbed.

For Thickened Nails:

Apply a small amount once daily under medical supervision.

As the skin improves, reduce use to every other day, or as directed by a healthcare professional.

Warnings

- For external use only.
- Avoid contact with the eyes and mucous membranes.
- Do not use on the face or skin folds.
- Do not apply to open wounds, deep bleeding cracks, or inflamed skin.
- Do not use in case of hypersensitivity to Urea, Salicylic Acid, or any other ingredient.
- Not recommended for children unless directed by a physician.
- Patients with diabetes or poor circulation should consult a healthcare professional before applying to the feet.
- Discontinue use and consult a physician if severe irritation or redness occurs.
- Keep out of reach of children.

Storage

Store below 25°C in a cool, dry place away from direct sunlight, heat, and humidity. Close the cap tightly after each use.
