

ROZANA

UREA 5% FACE CREAM – 50 mL

Advanced Hydration, Gentle Care & Effective Moisturizing,
With Niacinamide + Vitamin E

Description

Rozana Urea 5% Face Cream is a moisturizing and restorative face cream specially formulated for the daily care of dry and flaky skin. Its formula combines 5% Urea with Niacinamide (Vitamin B3), Panthenol (Vitamin B5), Vitamin E, Shea Butter and Allantoin to help provide effective hydration, soften rough and flaky skin, and improve its overall appearance.

The cream helps support the skin's moisture balance and leaves the skin feeling smoother, softer and more comfortable. Its lightweight texture spreads easily and is readily absorbed, making it suitable for regular facial care.

Key Ingredients & Benefits

Urea 5%: Helps moisturize and soften dry, rough and flaky skin while supporting moisture retention.

Niacinamide (Vitamin B3): Helps support the skin barrier and improve the appearance and texture of the skin.

Panthenol (Vitamin B5): Helps moisturize, soothe and maintain skin comfort.

Vitamin E: Helps condition the skin and provides antioxidant care.

Shea Butter: Helps nourish and soften dry skin while supporting moisture retention.

Allantoin: Helps soothe and soften the skin.

Directions for Use

Apply twice daily to clean, dry skin. Gently massage in circular motions until fully absorbed.
