

ROZANA

Fragrance-Free Urea %5 Face Cream – 50 mL

A cream for skin repair and regeneration, suitable for all skin types, for the care of dry, sensitive, and eczema-prone skin.

Description

Rozana Urea 5% Face Cream is a moisturizing cream formulated for the care of dry, sensitive, eczema-prone, and flaky skin. It helps moisturize and soften the skin, combining gentle exfoliation with effective hydration while helping repair, restore, and regenerate damaged skin. Its formula combines Urea, Ceramide NP, Sodium Hyaluronate, Niacinamide, Panthenol, Alpha-Bisabolol, and Allantoin, alongside Vitamin E and Shea Butter, to provide comprehensive care that supports skin hydration, its natural protective barrier, and softness. Suitable for all skin types.

Key Ingredients and Their Benefits

Urea 5%: A humectant that draws water into the layers of the skin, helps gently exfoliate dead skin cells, and improves skin softness and elasticity.

Ceramide NP: Supports and helps restore the skin's natural protective barrier and reduces water loss through the skin.

Sodium Hyaluronate: Helps retain water in the skin, supporting hydration and maintaining softness.

Niacinamide (Vitamin B3): Supports and strengthens the skin's natural barrier and helps improve skin appearance and even out skin tone.

Panthenol (Vitamin B5): Soothes the skin, helps restore its natural barrier, and reduces dryness and irritation.

Alpha-Bisabolol and Allantoin: Two soothing ingredients that support skin renewal and help reduce redness and irritation.

Tocopherol (Vitamin E): An antioxidant that helps protect the skin from damage and supports its softness.

Shea Butter: Nourishes and helps moisturize the skin, leaving it soft and silky.

Full Ingredients

Deionized Water, Urea, Ceramide NP, Sodium Hyaluronate, Niacinamide (Vitamin B3), Panthenol (Vitamin B5), Alpha-Bisabolol, Allantoin, Tocopherol (Vitamin E), Shea Butter, Liquid Paraffin, Stearic Acid, Carbomer, EDTA (Ethylenediaminetetraacetic Acid), Dimethicone, Propylene Glycol, Cetyl Alcohol, Lactic Acid, Cetearyl Ethylhexanoate, Isopropyl Myristate, Glyceryl Stearate, PEG-100 Stearate, Potassium Sorbate, Phenoxyethanol, Triethanolamine.

Benefits

Provides effective hydration for dry and sensitive skin.

Helps repair, restore, and regenerate damaged skin.

Supports the skin's natural barrier and helps reduce moisture loss.

Helps remove flakes and dead skin cells through gentle exfoliation.

Improves skin softness and elasticity.

Suitable for all skin types, including dry, sensitive, and eczema-prone skin.

Visible results typically appear within a few days of regular use.

Directions for Use

Apply an appropriate amount of cream to the desired areas of the face on clean, dry skin.

Massage gently using light circular motions until fully absorbed.

May be used twice daily, in the morning and evening.

Gentle massage for a little longer may help improve absorption.

Precautions and Warnings

For external use only. Do not ingest. Keep out of reach of children. Avoid contact with the eyes. In case of contact, rinse thoroughly with water. If any unusual redness or allergic reaction occurs, discontinue use and consult a physician. Do not apply to open wounds or severely inflamed skin without medical advice.

Storage

Store in a cool, dry place, away from direct sunlight, at a temperature not exceeding 25°C. Close the cap tightly after each use and use before the expiry date indicated on the packaging.
